PROFESSIONAL SUMMARY

Human resources manager with eleven years of experience across professional services and light manufacturing. Leads employee relations, recruiting operations and manager development with careful documentation and clear communication. Uses workforce data to improve retention, hiring consistency and employee support without losing sight of individual context.

PROFESSIONAL EXPERIENCE

HR Manager | Oakmere People Services

Apr 2022 - Present | Atlanta, Georgia | Full-time

- Managed an HR team of four supporting 610 employees across five offices and a hybrid workforce.
- Redesigned onboarding with role-specific checklists and manager touchpoints, raising 90-day completion from 71% to 96%.
- Introduced structured interview guides and recruiter reporting, reducing median time to fill from 48 to 34 days.
- Led annual compensation review using job-family ranges and documented exception decisions for executive review.

HR Business Partner | Briarforge Manufacturing Group

Jul 2018 - Mar 2022 | Atlanta, Georgia | Full-time

- Supported 280 plant and administrative employees through performance reviews, shift changes and organizational growth.
- Coached 32 managers on fair documentation, feedback conversations and consistent policy application.
- Partnered with operations to address turnover drivers, contributing to a 9 percentage-point reduction in first-year attrition.
- Coordinated employee listening sessions and published action plans with named owners and follow-up dates.

HR Coordinator | Westcove Professional Partners

Aug 2015 - Jun 2018 | Charlotte, North Carolina | Full-time

- Maintained employee records, prepared offer letters and scheduled recruiting activities for 85 annual hires.
- Reconciled benefit enrollments and payroll changes before monthly cutoff dates.
- Created a searchable policy knowledge base and supported new-hire orientation.

HIRING PROCESS REDESIGN

Case study | Sep 2024

Actions and approach

Mapped candidate handoffs, removed duplicate approval steps and created interview scorecards tied to job competencies. Piloted the workflow in two departments before extending it company-wide.

Measured outcome

Reduced average candidate waiting time by 11 days; achieved 92% scorecard completion and improved hiring-manager satisfaction from 3.6 to 4.4 out of 5.

RETENTION LISTENING CYCLE

Case study | Mar 2025

Actions and approach

Combined anonymous pulse survey themes with exit-interview categories and team-level turnover data. Ran facilitated workshops and prioritized three feasible actions per department.

Measured outcome

Completed 18 departmental action plans and tracked quarterly follow-through; voluntary turnover declined by 4 percentage points over the following year.

PROFESSIONAL CONTRIBUTIONS

- Volunteer facilitator for fictional career-readiness workshops serving first-generation graduates.
- Recognized internally for practical policy guides and responsive manager support in 2024.

PROFESSIONAL FOCUS

Current practice priorities: Excel, Manager coaching, Learning and development, Change management. Examples above reflect work completed with the listed employers and are included to show practical scope and methods.
