Naomi Chen

Product Designer

naomi.chen@example.com | +1 415 555 0111
San Francisco, California, United States

PROFILE

Product designer with eight years of experience creating accessible digital tools for service teams and consumers. Combines user research, interaction design and clear visual systems to simplify complex workflows. Comfortable facilitating workshops, prototyping alternatives and validating design decisions with measurable usability evidence.

TOOLKIT

Figma / User research / Interaction design / Visual design / Prototyping / Design systems / Usability testing / Accessibility / Information architecture / Journey mapping / Workshop facilitation / HTML/CSS

EXPERIENCE

Product Designer | Paperorbit Experience Studio

Apr 2022 - Present | San Francisco, California | Full-time

- Led end-to-end design for a service scheduling product used by 2,100 fictional coordinators.
- Conducted 28 interviews and twelve moderated usability sessions to map scheduling and cancellation pain points.
- Redesigned appointment creation, reducing median task time from 4.6 minutes to 2.8 minutes.
- Built a component library with 54 documented patterns and accessibility guidance for engineering handoff.

UX Designer | Tideglass Digital Collective

Jan 2020 - Mar 2022 | San Francisco, California | Full-time

- Designed onboarding and account-management flows for web and mobile service platforms.
- Created interactive prototypes and synthesized research findings into prioritized design recommendations.
- Partnered with engineers to review implemented interfaces and resolve visual and keyboard-navigation issues.
- Introduced reusable research templates that improved consistency across five project teams.

Visual Designer | Willowpaper Creative Works

Jun 2018 - Dec 2019 | Sacramento, California | Full-time

- Produced brand systems, marketing layouts and responsive web concepts for fictional small-business clients.
- Prepared typography, spacing and color specifications for developers.
- Organized source files and documented asset ownership for project handovers.

Naomi Chen

Product Designer | Qualifications and selected work

LEARNING

Bachelor of Fine Arts in Communication Design

Fictional Bay Rowan School of Art

Sep 2014 - May 2018 | Grade: 3.7 / 4.0

SELECTED WORK

Accessible Scheduling Suite

Design lead | Feb 2023 - Dec 2023

Reworked dense calendars and confirmation screens using keyboard-friendly interaction patterns. Improved task success from 73% to 92% across two synthetic research rounds.

Methods / tools: Figma, Accessibility, Usability testing

https://projects.example.com/naomi-chen/project-1

Community Resource Finder

Volunteer designer | Mar 2021 - Oct 2021

Designed a directory prototype with plain-language categories and location filters; tested with ten fictional participant profiles.

Methods / tools: User research, Prototyping

https://projects.example.com/naomi-chen/project-2

CREDENTIALS

Inclusive Product Design

Fictional Accessible Design Institute

Issued: Apr 2024 | No expiry | Credential ID: TEST-11-01

Research Methods for Designers

Fictional Design Learning Academy

Issued: Sep 2022 | No expiry | Credential ID: TEST-11-02

LANGUAGES

English (Native) / Mandarin (Professional working)

BEYOND THE ROLE

- Portfolio includes process notes, research synthesis and implementation comparisons using synthetic data.
- Facilitated an internal design critique group for eight cross-functional colleagues.
