Eleanor Brooks

Senior Accountant

eleanor.brooks@example.com | +1 617 555 0105
Boston, Massachusetts, United States

PROFESSIONAL SUMMARY

Senior accountant with eleven years of experience in month-end close, reconciliations and management reporting for multi-entity service businesses. Brings a disciplined control mindset, strong Excel skills and an ability to investigate discrepancies across operational and financial systems. Experienced in audit preparation and coaching junior accounting staff.

CORE SKILLS

Financial reporting / General ledger / Account reconciliation / Month-end close / Excel / NetSuite / Accounts payable / Accounts receivable / Budgeting / Cash flow forecasting / Internal controls / Audit support

PROFESSIONAL EXPERIENCE

Senior Accountant | Lindencrest Advisory Holdings

Start	End	Location / engagement
04/2022	Present	Boston, Massachusetts / Full-time

- Owned close activities for six fictional subsidiaries with combined annual revenue of $48 million.
- Reduced close duration from ten business days to seven by standardizing reconciliations and tracking dependencies.
- Investigated intercompany imbalances and introduced automated exception reports, reducing unresolved items by 63%.
- Prepared monthly variance commentary and supporting schedules for finance leadership and external auditors.

Accountant | Stonebrook Facilities Partners

Start	End	Location / engagement
07/2018	03/2022	Boston, Massachusetts / Full-time

- Maintained fixed assets, accruals and prepaid schedules for a 240-person services organization.
- Reconciled bank and receivable balances and resolved recurring unapplied-cash issues.
- Built a thirteen-week cash forecast with treasury, improving visibility into payroll and supplier payment timing.
- Supported ERP migration by validating opening balances and documenting account mappings.

Accounting Assistant | Elmharbor Business Services

Start	End	Location / engagement
08/2015	06/2018	Providence, Rhode Island / Full-time

- Processed supplier invoices, expense claims and customer receipts against approval policies.
- Prepared aged debtor reports and followed up discrepancies with account managers.
- Maintained orderly digital audit files for journal entries and reconciliation evidence.

Eleanor Brooks
